GROWTH CONSTRAINT CHECK

Find the operating weakness that growth is multiplying.

Company: _____ **Review date:** _____ **One owner. One next action. One check date.**

Question	Answer	Evidence	Constraint	Owner	Next action
1. Work a crew can start tomorrow					
2. Jobs waiting on something					
3. Decisions requiring the owner					
4. Started but unfinished work					
5. Where skilled time disappears					
6. Speed of blocker reporting					
7. Priority stability					
8. Owner and next action					
9. Ready vs calendar release					
10. Largest limit to completion					

Use this tool for one normal week. Fix the largest repeated cause before adding complexity.
